## Church in Dyce Neighbourhood – Jesus House Dyce

Jesus House Dyce is an offshoot of the “Jesus House” family of The Redeemed Christian Church of God (RCCG).

Planted in Dyce since 2009, our main goal is to grow spiritually and physically as a Church, by connecting with each other and building healthy relationship in order to impact our community.

It is all about the 3Cs:

- Church
- Connection
- Community

As a “church”, we believe in God and His wonderful love for people

Through the Bible, we promote godliness, respect, good manners and attitude towards living an exemplary life and also, not compromising our mandate which are:

- To make heaven.
- To take as many people along.
- Live a life of Holiness.
- Preaching throughout the world.
- Plant churches.

We recognise that “connections” among ourselves and those around us is essential in promoting our relationship with God.

We also believe we are all under the body of Christ and regardless of our race or colour, it is God’s will for all to inherit His Kingdom.

To connect among ourselves; we engage in activities to include:

- Family fun days
- Games days
